Ordering Breakfast

If I know what you want and what time you want to eat, then I can have breakfast ready and waiting for you when you come down in the morning, or I can bring it up to you if you want to eat in your room.

You can either:

- Order the night before – leave this menu on the table in the hall with your choices on it
- Text (**07785 268903**) your order to me with the time that you would like to eat. Please give me at least 30 minutes notice
- Order breakfast and then walk down to St Johns and pick up a paper and breakfast will be ready for you when you get back

Otherwise, depending on what you want, there may be a wait while breakfast is cooked for you, but you can relax in the lounge and watch the television, with a cup of tea or coffee, while you wait.
